What Is This Event..?

The Design Fair 2024 is a premier event that brings together universities, schools, students, educators, parents, and art enthusiasts on a common platform. The goal is to explore the world of Art & Design, Architecture and Fine Art education, showcasing its potential as a rewarding career path for the next generation. Universities offering undergraduate and postgraduate degrees in design will exhibit their programs, interact with aspiring students, and display creative student works.

Where Is This Event..?

Where is this event? The Auto Cluster Exhibition Centre is located in Pimpri-Chinchwad, Pune, Maharashtra. It is a well-known venue for hosting exhibitions, trade fairs, and large-scale events due to its spacious facilities and strategic location in the industrial and educational hub of Pune.

What can visitors expect?

- Interact with top universities offering undergraduate and postgraduate design programs.
- Learn about admission processes, course structures, and career opportunities.
- Participate in engaging workshops led by industry professionals and university experts.
- Explore creative techniques and get a taste of real-world design practices.
- Listen to school principals, educators, and industry leaders discuss the future of Art & Design.
- Gain insights into why creative education is crucial in the evolving global job market.
- View 3D student work displays by universities, showcasing innovative projects and design ideas.
- Experience the creativity and talent nurtured by leading institutions.
- Ramp Walks featuring fashion designs by students and professionals.
- Film Premieres presenting visually stunning works in design.
- Celebrity Talks with renowned personalities sharing their journeys and insights.
- Meet like-minded students, educators, and design enthusiasts.
- Connect with institutions, explore collaboration possibilities, and expand your creative network.
- Interact with experts to explore design as a rewarding career option.
- Parents can learn how to support their children in pursuing creative fields.
